25X1

1. In the summer of 1951, a vast area (limits unknown) in the vicinity of Kazanluk in the direction of Frina (N 42-40, E 23-25) was closed to traffic and put under military guard. these measures were taken following the discovery of uranium in the area.

25X1

2. Trucks loaded with ores came from the restricted area into the Kazanluk railroad station. From Kazanluk they were sent in special rail convoys to Burgas or Varna.
